WorkWELL

SHARE BEST PRACTICES IN WORKSITE WELLNESS

IMPLEMENTATION GUIDELINES

WorkWell provides a way for companies to share best practices and recognizes those companies that are leading the way! WorkWell is an inventive way to learn from others and generate ideas about the variety of ways to offer wellness programs, ranging from incentives for healthy living to gyms and fitness programs at the workplace.

Implementing WorkWell

- Review WorkWell Schedule
- Register a company representative for scheduled WorkWell forums
- Attend at least three of the four quarterly forums each year
- Email info@wellnessatoz.com to host a WorkWell forum

WORKWELL: GETTING LEADERSHIP BUY-IN TO CREATE A CULTURE OF HEALTH.

Friday, September 14, 2018
Check-in: 7:30 – 8 a.m.
Program: 8 – 9:30 a.m.
Location: University of Phoenix
4025 S. Riverpoint Parkway
Phoenix, AZ 85040

A successful employee wellness program needs more than approval from the top. Significant improvements, such as increased productivity and retention, and decreased healthcare costs, are made when an organization's leadership team fully engages in the wellness program. The fall WorkWell Quarterly Forum will include group roundtable discussions highlighting ways to encourage leadership to take initiative and actively participate in the company wellness program.

WHAT'S IN IT FOR MY BUSINESS?

Foster a culture of health for current and future employees while gaining recognition as an employer that promotes wellness.

Attend WorkWell Quarterly Forums at no cost to your business.

Research shows that behavior is the most significant determinant of health status, with as much as 70% of health care costs attributable to individual behaviors such as smoking, alcohol abuse, and obesity.

Wellness AtoZ is a program of the Greater Phoenix Chamber Foundation.
