

## Student Summer Work Based Learning Opportunities

*The summer months are a great time to get a jump start on your future! Don't miss out on these exciting opportunities to gain professional experience and connect with employers in the Phoenix area!*

***Kaycie Quinonez, your new College and Career Coach, is excited to support you with applying for these opportunities including building a resume, preparing for an interview, securing transportation and technology, and more!***

***For more information and to apply for any of these opportunities, please contact Kaycie Quinonez, College and Career Coach ([kquinonez@phoenixchamber.com](mailto:kquinonez@phoenixchamber.com)).***

### **Sonora Quest Laboratories Specimen Transporter**

***Description:*** Are you interested in a career in biology or healthcare? Join one of the largest labs in Arizona as a Specimen Transporter!

Specimen Transporters are responsible for the movement of specimen (samples for medical testing). Transporters will pick up racks containing medical samples and use a company vehicle to drive them to a testing location. After dropping off the samples to be tested, transporters will sanitize racks so they can be used again. It's important to note that the samples being transported are being tested for COVID. The samples are in sealed containers and all transporters will be wearing a mask.

#### ***Requirements:***

- High school diploma or GED
- Must have active/valid driver's license and live in Maricopa County
- Exposure to working in a healthcare environment
- Must be reliable and have good attendance

***Pay:*** \$13 per hour

***Location:*** North Tempe (airport) area

***Deadline to Apply:*** Monday, June 15

## **DP Electric Construction Management Internship**

**Description:** If you are interested in exploring opportunities within the construction industry, this internship is for you!

As a Construction Management Intern, you will gain professional experience by working with a team to manage a construction project onsite.

**Requirements:**

- Comfortable with COVID 19 precautions such as social distancing, wearing a mask, etc.
- 18 years or older
- Fluent in Spanish preferred

**Pay:** \$13 per hour

**Location:** North Scottsdale Worksite (Nationwide Headquarters)

**Deadline to Apply:** Monday, June 15

## **Jiffy Lube Courtesy Tech/Lube Technician**

**Description:** Boys and Girls Club of the Valley – Arizona is partnering with Jiffy Lube to offer paid internships for teens. Following completion of the AZYouthforce Academy, interns will work as Courtesy Techs or Lube Technicians. Each position has the potential to be a great start to an automotive career.

Courtesy Techs are responsible for automatic and manual transmission vehicles, greeting customers, writing up work orders, and performing basic automotive services such as cleaning windows, inflating tires, and vacuuming vehicles. Lube Technicians perform all the functions of a Courtesy Tech, with the addition of oil changes, explaining services and products to customers, and various fluid fills and filter changes.

**Requirements:**

- Teens ages 17-19

**Pay:** Varies depending on location assigned

**Location:** Varies depending on location assigned

**Deadline to Apply:** Monday, June 15

## **Greater Phoenix Chamber Foundation**

### **Social Media and Marketing Internship**

**Description:** Do you love social media? Have you ever dreamed of being an influencer for a new brand?

As the Greater Phoenix Chamber Foundation moves forward with the ElevateEdAZ education initiative, we are interested in working with a highly motivated and committed high school student to influence our social media presence. They will implement best practices for social media marketing. The ideal candidate should demonstrate a passion for storytelling and connecting with others in their community, while possessing strong written and verbal communication skills.

As a social media intern, you will be working on projects such as:

- Helping build ElevateEdAZ's social media following and reputation
- Write engaging posts and captions for photos and videos
- Provide suggestions to the Education Team on how to enhance student engagement with content

**Requirements:**

- High school junior with a minimum 3.0 GPA
- Interest in writing, social media, and social trends
- Knowledge of social media platforms
- Excellent verbal and written communication skills
- Hardworking, organized, efficient and creative work ethic
- Ability to work approximately 10-15 hours a week – virtually
- Fluent in Spanish preferred

**Pay:** \$15 per hour

**Location:** Virtual

**Deadline to Apply:** Friday, June 5
